Project Purpose

The main goal of the “Active through education” project is to improve the methods of teaching people 60+, based on proven methods of education in Europe and active aging

*Never stop learning,
because life never stops
teaching.*

The EXPECTED RESULTS are:

- Practical workshops/courses for senior listeners with the result of growing their skills,
- Project website with the domain name www.active.europeanproject.eu
- Open Facebook group of people interested in the topic,
- Handbook “Collection of good practices Active through education” with guidelines for teachers and adult educators.

Target Groups

- Senior learners and volunteers
- Adult educators and staff of organization
- Organization
- Local society

Learning Activities

Short-term joint staff training event: mobility training for educators from each partner in which the topic of training will be education of 60+ people, education approaches and methods.

LOCAL TRAINING for senior learners in each country – organizing at least two educational events (workshops, course, seminar) for 60+ people with the result of growing their skills.

TEACHING METHODS to be practiced during the project and shared:

- How to use the potential of non-governmental organizations and libraries in education of 60+ people (Romania)
- How to use cultural classes/activities and soft skills training for the benefit of seniors (Bulgaria)
- How to use social media and Internet in a safe way (Spain)
- Memory training and mind exercises for seniors (Poland)
- Videoconferencing as a tool of communication especially in the era of pandemics (Greece).
